

IFDS / STATE STREET SUPPORTING GLOBAL OPERATING MODELS

HAVING THE GLOBAL FOOTPRINT TO DELIVER

IFDS / State Street have a global network of administration centres and the experience that allows us to support complex global operating models around the world that really meet the needs of the client, distributor, investor and the advisor, that all aspects of the local regulatory requirements are consistently satisfied and monitored on an ongoing basis.

Operational and support centres

Europe	Dublin, Essex, Frankfurt, Kilkenny, Luxembourg, Milan, Zurich
Asia, India, Australia	Bangkok, Hong Kong, Mumbai, Sydney, Tokyo
North America	Boston, Kansas City, Lawrence, Toronto

FOCUS, EXPERIENCE, TECHNOLOGY, FLEXIBILITY

With our extensive range of operational and support centres strategically located around the world within the time-zones required to support the most complex of global service models.

Supported by a proven technology and service delivery infrastructure, with local language skills and the back up of the worlds No.1 TA provider group you can rest assured that your funds can be distributed around the world and around the clock.
